

## POLICIES

Please read this page before making reservations. We would like everyone to be aware of the Rules before they come as it makes for a more enjoyable experience when everyone knows what is expected.

- **RESERVATIONS:** a deposit is required to secure your booking. Long weekend bookings require a two night minimum stay. Deposit payments may be made by Visa, Master Card or Debit. We require a credit card be provided at time of registration.
- **We DO NOT accept bookings for Stags, Stagettes, Bachelor or Bachelorette parties.** If you disregard our policy and book this type of gathering, we will apply a fine of \$350.00 per night to your credit card and you run the risk of being asked to leave and not return. This is a family fishing resort, not a party place.
- **CANCELLATION and EARLY DEPARTURE POLICY:** Notice of cancellation must be received 14 days prior to arrival to receive a refund of your deposit. Reservations that are cancelled with less than 14 days' notice will lose their deposit. If you must leave earlier than the time you reserved, there is an early departure fee of \$50.00 for chalets and \$15.00 for campsites.
- **REGISTRATION** is required. We must have a head count for who is on site for both safety reasons and for our water report to Interior Health. Please make sure to check at the front desk. A credit card must be provided at registration. Guests are responsible for their visitors and their actions.
- Items **DAMAGED** or **REMOVED** from the Resort, its chalets, campsites, boats or other property, found to be done by guests or their visitors, will be repaired and/or replaced and charged to the guests credit card.
- **CHECK IN** time is **4:00 pm**
- **CHECK OUT** time is **11:00 am**. Please be considerate and observe check out times - we will likely have other Guests arriving and we depend on that timing so we have appropriate time to prepare the unit for arrival of the next owner/guest.
- **CHARGING** - as long as you provide your credit card to the front desk, you may charge to your chalet or campsite during your stay. Parents must provide in person permission to the front desk agent for their children to be allowed to charge.
- **CHALET - Occupancy:** All chalets comfortably sleep 4 adults; no more than 6 people are allowed per chalet. The chalets have one bedroom and one loft with three or four beds per chalet – see website for details. NOTE: the hot water tank is shared with the other side of the duplex.
- **CHALET – Cleanliness/Damage:** Please return your chalet to the clean condition in which you found it at time of check-in. Please do not move furniture. In the event your chalet is not returned to the same condition found at check-in, your card will be charged at \$50 for housekeeping to clean it. All garbage and recyclables are to be deposited in the receptacles provided. Please wash and put away all dishes. There is a \$25.00 charge if we have to wash your dishes. Do not use bath towels for any purpose other than normal bath related use – don't wipe the BBQ with it. If your towels are found to be unusually stained or dirty, your card will be charged a \$50 fine. Please bring your own pool towel. If damages are found to your chalet or its contents, you will be charged for the repairs or replacements required.
- **CHALET FIREPLACES:** Fireplaces are operated by thermostats. When you want to turn them on, slide the thermostat to a comfortable temperature (try 20°C). **DO NOT TOUCH THE CONTROLS AT THE FIREPLACE.** Fireplaces do not work during a power outage because the safety fan shuts off. Fireplaces do automatically ignite if temperatures drop below the thermostat's lowest setting of 10°C. Do not place items on the raised fireplace hearth. Leaving flammables on the hearth can (and have) caused a fire. You will be held responsible for resulting damages.
